

23. Gender and Number of Adjectives

bueno (nice)	singular-masculine	inteligente (intelligent)
buena (nice)	singular-feminine	inteligente (intelligent)
buenos (nice)	plural-masculine	inteligentes (intelligent)
buenas (nice)	plural-feminine	inteligentes (intelligent)

Adjectives are words that describe something or somebody. For example: intelligent, small, organized person. They indicate gender and number.

	<u>Masculino (masculine)</u>	<u>Femenino (feminine)</u>
Singular	un amigo nervioso (a nervous friend)	una película buena (a good movie)
Plural	unos amigos nerviosos (some nervous friends)	unas películas buenas (some good movies)

Adjectives that end with the letter “e” and most that end with consonants show only the number:

	<u>Masculino (masculine)</u>	<u>Femenino (feminine)</u>
Singular	un amigo especial (a special friend)	una película interesante (an interesting movie)
Plural	unos amigos especiales (some special friends)	unas películas interesantes (some interesting movies)

Remember: in Spanish, the adjectives generally go after the nouns.
